

oh dr mr williams
Thunderclouds are rising from the stance you're taking
oh dr mr williams
the underminers disagree the earth is shaking
is quaking..is shaking ...is quaking....
oh dr mr williams
remember long ago when you were just a boy
oh dr mr williams
playing upstairs in your bedroom with your toys
oh dr mr williams
remember mommy said that we must learn to share
oh dr mr williams
have you forgotten now that you're a millionaire
are you scared? what's out there? a nightmare?
